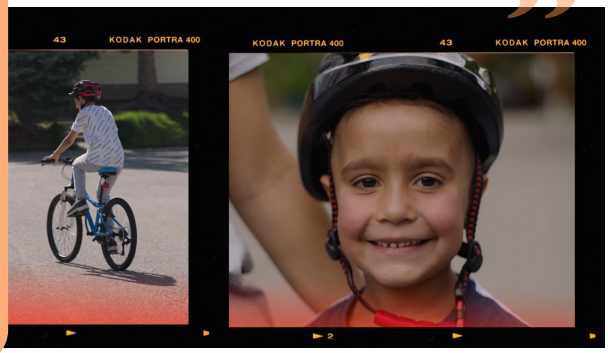
My First Bicycle FOUNDATION

NEWSLETTER | 2022

MISSION

The My First Bicycle Foundation's mission is to help financially disadvantaged kids own a bicycle by donating a package consisting of a new bicycle, helmet and lock. We are dedicated to helping children in Canada enjoy the benefits of having their own bicycle and the freedom it can provide.

> *This is to express our gratitude to My First Bicycle for the bikes presented to our boys which was actually their first bike since we arrived in Canada. We really appreciate the smile you put on the boys' face.*
>
> *Michael I., Calgary, AB*



We provide a bicycle, helmet, lock and assembly tools to ensure the safety of your child and easy assembly the bicycle.

PARTNERSHIP WITH HOPON CANADA

My First Bicycle is excited to partner with Cycling Canada and their HopOn Program. The HopOn program is a games-based cycling program that teaches school-aged kids across Canada the joy of cycling safely. Together, we aim to make cycling more accessible to all communities within Canada.

Thank You

To all donors, vendors, volunteers and everyone who was involved in making a positive change in a child's life and allowing children to grow through physical activity and enjoy the freedom of having a bicycle.
